

IEA Annex XXIII  
**OFFSHORE WIND ENERGY TECHNOLOGY AND DEPLOYMENT**  
**Information Sheet for Interested Participants**

Return the form by August 31, 2004 to [walter.musial@nrel.gov](mailto:walter.musial@nrel.gov). Thank you.

Please fill in this table and check off one or more research areas you are interested in. Also indicate if you would be interested in hosting a workshop on one of more of these research areas in the next twelve months. Feel free to provide a new research area that is not already listed but you are interested in pursuing.

Information Needed	Answers/ Instructions	Subtask 1 <b>OFFSHORE WIND EXPERIENCE WITH CRITICAL DEPLOYMENT ISSUES</b>					Subtask 2	
		Research area #1  External Conditions	Research area #2  O&M	Research area #3 Ecological Issues & Regulations	Research area #4 Electric System Integration	Research area #5 Wind Farm Technology and Design	<b>DEEP WATER WIND</b>	<b>NEW RESEARCH AREAS</b>
<b>We are interested in participating in this annex</b>	<b>Yes/No</b>							
<b>We are interested in the following subtasks and research areas</b>	Place a check mark under the areas you are interested in							
<b>Interested in hosting a workshop in the next 6 months?</b>	Yes/No  Indicate which topic you would be interested in hosting							
<b>Interested in attending the Deep Water Workshop on 26-27 October 2004 in Washington DC?</b>	Yes / No							
<b>Name of the participating country interested in this annex</b>								
<b>Name of the Organization</b>								
<b>Name of the Point of Contact in the Organization</b>								
<b>E-mail address and Telephone</b>
